Svengoolie

It CAN'T be! It CAN'T already be the last month of this year! Wasn't it just a few weeks ago that I wrote:

"Here's to a better year for both those who felt the previous one held too much disappointment and sorrow- and those who are hoping for EVEN better times than in 2016. We have no idea what this upcoming twelve months may hold for your favorite rubber chicken target..."

This year has really flown by- lots of Sven milestones, maybe a few gallstones, but a great year for our show. We'll review some of the highlights – right after we present to you the movies for this month that we offer as our gift to you for the holidays!

DEC 02	Frozen Ghost (which premiered the "Svengoolie Stamp")
DEC 12	The Mummy's Curse
DEC 16	The Black Cat (1934 - Bela and Boris!)
DEC 23	Invisible Woman
DEC 30	Dr. Cyclops
