SFC News

Attention All Members..

Membership Services (me) and Financial Management (ADM.Tony Scott) have run into some issues with payments for membership going through a second party. What some of you may not realize is that the PayPal payment is not 'attached' to the application, so when we receive your application, we automatically look for a PayPal payment from you. Later that day when we have received 3 or 4 other applications and 3 or 4 PayPal payments from other members..... we do not know who to attach to what.

To correct this issue, Commander Art Day, (our webmaster) has added a section to the online application. Just above payment option, is a space "Payment Message",

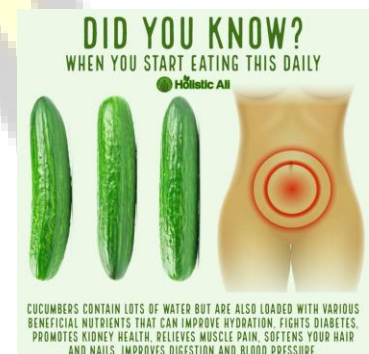

where you can now type in how we can expect the payment. Example would be ..."Via Jill Doe" ..."from Jack Black". It doesn't have to be extensive, but does need to give Admiral Scott and myself an idea of where to look for the payment. Hopefully, this will save us all some time, since we won't need to constantly take time to email Jack and Jill to ask where that payment goes. They in turn will not have to take time to respond.

Thank you

Admiral Rose Ciccarone

It's Labor Day weekend- the traditional "end of summer" to many- but it's just the beginning of – dare I say it- the fringe of our Halloween season?! We're already hitting the road for a

multitude of appearances- as well as working on shows and merchandise for later this fall. Let's run down our schedule for this month- I think you'll agree that it kind of builds as we head towards the month of the Eve of All Hallows!
